

## Medicare Prescriptions

**BE IT RESOLVED** that the Whatcom County Democrats (WCDCC) direct our Washington Congressional delegation to revise Medicare prescription law to have:

1. Less co-pay or no co-pay for low-income patients; and
2. Lower premiums; and
3. Less choice in plans; and
4. An allowance for state governments to negotiate with prescription drug companies and/or insurance companies for prescription drugs; and
5. An allowance for U.S. citizens to purchase medications from other countries.
